PRACTICE AREAS

- Investment fund formation and operation
- Asset management
- Private equity and venture capital

PROFESSIONAL EXPERIENCE

Before joining Han Kun, Ms. Hu practiced law at another well-known law firm in China. Her main practice areas include the formation and operation of onshore and offshore investment funds, asset management, and private equity and venture capital.

Ms. Hu has extensive experience in providing fund formation, operation, and management legal services to various types of domestic and overseas funds and fund management institutions, including private equity investment funds, private venture capital investment funds, FOFs, QFLP funds, real estate funds, secondary funds, government guidance funds, M&A funds, private securities investment funds, and contractual funds. In addition, Ms. Hu represents various domestic and overseas LPs, including FOFs, government guidance funds, insurance institutions, listed companies, and large state-owned and private enterprises in their investments in different types of domestic and overseas funds. Ms. Hu also provides compliance consulting services for many fund clients on the operation and management of private investment funds post establishment, and provides services for the design of internal team incentive plans for many first-tier investment funds. Meanwhile, Ms. Hu participates in the formation of and investment in many trusts and asset management plans, as well as in domestic and overseas PE/VC investment and financing projects.

EDUCATION

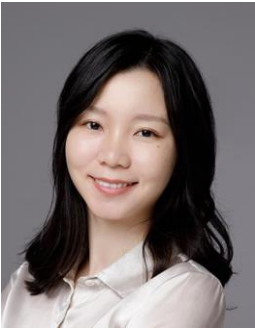

Ms. Hu graduated from China University of Political Science and Law with an LL.B. (Bachelor of Laws) degree in 2011, and from the University of Hong Kong with a MCL (Master of Common Law) degree in 2012.
