PRACTICE AREAS

- Corporate compliance
- Data protection
- Mergers and acquisitions
- Life sciences and healthcare
- General corporate

PROFESSIONAL EXPERIENCE

Ms. Zhan's practice focuses on life sciences and healthcare, corporate compliance, data protection, and mergers and acquisitions. She has provided legal services to numerous large multinational corporations, listed companies, and major state-owned enterprises, with clients spanning industries such as life sciences and healthcare, automotive, retail, logistics, chemicals, and TMT.

In the biopharmaceutical sector, Ms. Zhan has been involved in various projects for pharmaceutical and medical device companies, including license deals, mergers and acquisitions, product due diligence, and regulatory advisory work. In the area of data compliance, she has advised a number of multinational companies on data compliance assessments, personal data protection audits, cross-border data transfer evaluations, and the development of compliance programs, across industries including finance, medical devices, consumer goods, and retail.

EDUCATION

Ms. Zhan received her Bachelor of Laws degree and a dual degree in Economics from Peking University in 2023. She obtained her LL.M. degree from New York University School of Law in 2024.
