PROFESSIONAL EXPERIENCE

Ms. Yixuan Wang's primary practice areas encompass cross-border and domestic mergers and acquisitions, foreign investment, venture capital and private equity financing, as well as transactions in the pharmaceutical/healthcare sectors. Her industry experience spans a wide range of fields, including technology, new energy, new materials, the internet, telecommunications, media and entertainment, and healthcare. Her key responsibilities include transaction structuring, group restructuring, legal due diligence, drafting and revising transaction documents, general corporate affairs, and legal and policy research.

In mergers, acquisitions, and joint ventures, Ms. Wang has been involved in numerous domestic and cross-border M&A and joint venture/collaboration projects. She provides clients with comprehensive legal services covering the entire process, including bidding, preparation of letters of intent and confidentiality agreements, buyer and seller due diligence, drafting and negotiation of transaction documents, regulatory compliance approvals, escrow arrangements, and post-closing matters. She is particularly skilled in group restructuring and transaction structuring, and her experience in M&A and joint ventures spans various sectors such as energy, technology, real estate, internet, and entertainment.

Ms. Wang has extensive experience in cross-border transactions, having represented multiple Chinese enterprises (including consortiums) in overseas equity acquisitions, land purchases, and greenfield investments. She has also assisted numerous overseas clients with investments and business collaborations in China. Notably, she has advised Russian companies on a series of legal matters concerning supply and service agreements related to nuclear power plants and nuclear facilities with Chinese energy enterprises, helping Russian clients operate lawfully and efficiently in China.

In the energy sector, Ms. Wang has supported a diverse range of clients, including CNPC, Sinopec, their affiliated funds, and local industrial funds, in conducting due diligence and making investments

in various traditional energy, new energy, and new materials projects. She has also assisted state-owned enterprises in successfully acquiring photovoltaic projects and has provided legal support to clients in establishing joint venture companies for energy projects and facilitating subsequent business collaborations. Furthermore, as a retained legal advisor, Ms. Wang offers in-depth legal consultation and professional services to clients in the energy industry.

EDUCATION

Ms. Wang was awarded a Chinese Government Scholarship (CSC) in 2017 to pursue further studies at University College London (UCL), where she obtained a Master of Laws (LL.M.) degree specializing in International Banking and Finance Law. Previously, she graduated from the Central University of Finance and Economics with a Bachelor of Laws degree and participated in an exchange program at the University of California, Los Angeles (UCLA).
