

Huimin Ye

Shanghai

PRACTICE AREAS

- General corporate
- Corporate compliance
- Antitrust/competition
- Legal risk management

PROFESSIONAL EXPERIENCE

Ms. Ye focuses her practice on compliance (specifically anti-bribery, FCPA, anti-monopoly, competition laws and related risk assessment and investigations), general corporate, and legal risk management. The matters which Ms. Ye handles primarily include advising on general corporate affairs, conducting internal compliance investigations, reviewing and advising on internal company policies, research and analysis of regulatory and policy changes, and assisting clients in the termination of employment relationships.

Ms. Ye has represented and provided legal services to numerous multinational companies in relation to their compliance issues in China. Ms. Ye represents clients across diverse industries, including technology, healthcare, automotive, aviation, industrial product manufacturing, retail, food, and health products. Ms. Ye has represented clients in white-collar matters, government and internal investigations, as well as advising on anti-corruption, anti-unfair competition, data security, dispute resolution, and regulatory compliance matters. She has assisted in handling legal matters as well as crisis management relating to a wide variety of commercial activities.

EDUCATION

Ms. Ye graduated from Peking University with a Bachelor's degree and a Master of Law degree.
