PRACTICE AREAS

- Antitrust/competition
- Corporate compliance
- Data protection

PROFESSIONAL EXPERIENCE

Mr. Shipo Xie is partner at the Corporate & Compliance department of Han Kun Law Offices. He has extensive compliance experience and has assisted a number of leading international and Chinese companies in data security, merger filings, national security review, government investigations and the establishment and improvement of overall compliance systems. He has extensive expertise in assisting clients with complex and comprehensive cross-border compliance matters, leveraging his compliance experience across different sectors and different jurisdictions. He has represented many well-known multinational companies in handling highly complicated and challenging compliance issues in China as well as assisted a number of leading Chinese enterprises in compliance matters in other major jurisdictions around the world, including the EU, US, Australia, Germany, Israel, Argentina and Brazil. Before joining Han Kun, Mr. Xie worked for several top-tier domestic and international law firms in China.

Mr. Xie also serves as Guest Lecturer at the Advanced Program on International Legal Services at Peking University Law School, Off-Campus Supervisor of the Master of Law degree candidates at the University of International Business and Economics, and the Steering Group Member of the International Corporate Counsel Committee of the American Bar Association.

EDUCATION

Mr. Xie graduated from Peking University with a Bachelor of Law degree in 2010, and graduated from The University of Chicago with an LL.M. degree in 2016.

QUALIFICATIONS

Member of the PRC Bar
