

Shi Li

Shanghai

PRACTICE AREAS

- Corporate compliance
- Data protection
- Technology, media and telecoms

PROFESSIONAL EXPERIENCE

Ms. Li specializes in data protection, AI compliance, government regulation, and corporate internal investigations. She has led and deeply participated in numerous data compliance projects, including data compliance gap analysis and rectification, establishing cross-border data transfer compliance frameworks, IPO and investment-related data compliance, large model filing, and personal information protection compliance audits. She continues to deepen her expertise in cutting-edge areas such as artificial intelligence and algorithms. Her clients span a wide range of industries, including cloud computing, big data, internet, high-tech, retail, hospitality, life sciences, financial, and automotive sectors.

Ms. Li not only possesses a profound understanding and sound judgment of China's cybersecurity and data protection laws and policies, but she also has extensive practical experience in data compliance and AI compliance, enabling her to provide clients with strategic and actionable legal advice. She also works with overseas counsel to assist Chinese companies in expanding globally with their data compliance reviews related to overseas operations.

Prior to joining Han Kun, Ms. Li practiced with Merits & Tree Law Offices.

EDUCATION

Ms. Li obtained her Master of Laws degree from Shanghai University of Finance and Economics. Prior to that, Ms. Li earned a Bachelor of Arts from the School of Foreign Languages at Central China Normal University.
