PRACTICE AREAS

- Fintech
- Financial services and regulatory
- Banking and finance
- Data protection

PROFESSIONAL EXPERIENCE

Mr. Xun Li specializes in fintech, financial regulatory compliance, banking and finance, data protection, and ESG.

In the fintech sector, Mr. Li offers comprehensive legal services to fintech companies and financial institutions involved in asset and wealth management, consumer finance, and payment services. His expertise includes innovative product design, drafting transaction documents, ensuring day-to-day operational compliance, and applying for financial licenses. He has also participated in numerous investment and M&A projects for fintech companies and financial institutions.

In financial regulatory compliance, Mr. Li provides consulting services to various financial institutions, assisting with internal policy formulation, regulatory inspection preparation and response, and other compliance-related matters. He has extensive experience in personal information protection and financial consumer protection.

In banking and finance, Mr. Li has represented banks, trusts, funds, wealth management companies, and real estate investment institutions in structured finance, mezzanine finance, and syndicated loan projects. He has also represented a prominent real estate company in real estate project investments and the establishment of real estate funds.

Before joining Han Kun, Mr. Li worked for both a well-known real estate company and King & Wood Mallesons.

EDUCATION

Mr. Li graduated from the East China University of Political Science and Law with a Bachelor of Law degree in 2012. In 2015, Mr. Li graduated from the East China University of Political Science and Law with a Master of Law degree with a specialization in Financial Law.
