PRACTICE AREAS

- Private equity and venture capital
- Mergers and acquisitions
- Capital markets
- Life sciences and healthcare

PROFESSIONAL EXPERIENCE

Mr. Li focuses on private equity and venture capital investments, mergers and acquisitions, and capital markets transactions, with extensive experience advising clients in the life sciences and healthcare, artificial intelligence, embodied intelligence, consumer, and other innovative industries.

Mr. Li has long represented leading founders and companies in connection with equity structuring, industry-academia-research commercialization, licensing transactions (license-in/license-out), equity incentive plans, regulatory compliance, foreign exchange matters, and other corporate and commercial legal issues. He has advised founders throughout the entire business lifecycle, from start-up formation and venture financing to strategic mergers and acquisitions or initial public offerings. Clients highly value Mr. Li for his combination of sophisticated legal expertise and strong commercial insight.

EDUCATION

Mr. Li graduated from Renmin University of China with a Master of Laws degree in 2012. He is currently pursuing a Juris Doctor degree at the University of New South Wales, Australia.
