

Yuyang Li

Beijing

PRACTICE AREAS

- Mergers and acquisitions
- Energy and minerals
- Real estate and infrastructure
- Outbound investment
- Private equity and venture capital

PROFESSIONAL EXPERIENCE

Ms. Li is a transactional lawyer specializing in cross-border mergers and acquisitions and outbound investment, with extensive experience advising clients on sophisticated transactions since entering the legal profession in 2021. She has counseled state-owned enterprises and other major corporates in the energy, mining, and infrastructure sectors, providing comprehensive legal support to her clients in high-value deals, encompassing transaction structuring, due diligence, negotiation of complex agreements, and deal execution.

In addition, Ms. Li has substantial experience in private equity and venture capital, having represented fintech, internet, telecommunications, consumer products, and medical device startups, as well as their investors, on investment transactions and day-to-day corporate matters. She provides pragmatic and effective solutions that reconcile commercial objectives with legal and regulatory considerations.

EDUCATION

Ms. Li received a Bachelor of Law degree in 2018 from Renmin University of China. In 2021, she obtained a Juris Doctor degree from Georgetown University Law Center.

QUALIFICATIONS

Member of the PRC Bar
