

Jiali Huang

Beijing

PRACTICE AREAS

- Private equity and venture capital
- General corporate
- Capital markets

PROFESSIONAL EXPERIENCE

Ms. Huang has long provided legal services for state-owned enterprises, listed companies, and technology-based innovation enterprises. Her core practice focuses on domestic and overseas capital markets and equity investment and financing sectors. Endowed with solid professional expertise, Ms. Huang has deeply participated in various types of projects, including domestic and overseas IPOs (A-share IPOs and Hong Kong IPOs), private equity financings, mergers and acquisitions, restructurings, bond issuances, as well as the establishment and operation of government-guided funds.

In terms of dispute resolution, Ms. Huang specializes in handling disputes arising from these industries by leveraging her profound experience in the capital markets and investment and financing fields. She tailors differentiated solutions for clients by combining litigious and non-litigious approaches.

EDUCATION

Studied law at East China University of Political Science and Law (ECUPL) from September 2018 to June 2022 and obtained a Bachelor of Laws degree (LL.B.).
