PRACTICE AREAS

- Mergers and acquisitions
- Foreign direct investment
- Intellectual property
- Private equity and venture capital
- Cross-border arbitration and dispute resolution

PROFESSIONAL EXPERIENCE

Mike Chiang is a corporate attorney with more than 25 years of legal experience representing many U.S. and Chinese companies doing business in China and the U.S. Mike has substantial experience in assisting clients handle legal matters and issues of foreign direct investments, joint ventures, venture capital and private equity investments, mergers and acquisitions, intellectual property, technology licensing, sales and distribution transactions, etc.

Mike joined Han Kun LLP as a partner of its New York office in October 2023. Before this, Mike worked with Holland & Knight's San Francisco and New York offices for five years as a senior counsel and partner. He also previously worked for 20 years with Han Kun Law Offices, another large Chinese law firm, and a major U.S. law firm.

In addition to his corporate practice, Mike has extensive experience in advising clients on resolution of cross-border disputes, including assisting many U.S. and Chinese companies with various disputes arising from their investments and operations in China and the U.S.

Mike has substantial experience in working with many U.S. lawyers across different practices and geographical locations to help Chinese clients handle a wide range of transactional and litigation matters in the U.S. Mike also uses his in-depth understanding of China's legal and business practices and culture to help U.S. companies handle various transactional and litigation matters in China.

EDUCATION

Mike Chiang received an LL.B. degree from Chinese Culture University in 1988. He also received LL.M. and J.D. degrees from the University of Notre Dame in 1991 and 1995, respectively.
